General Instructions

References are to the Internal Revenue Code.

Who Must File

Complete Schedule A (Form 5713) if:

- You participated in or cooperated with an international boycott; and
- You are using the international boycott factor to figure the loss of tax benefits.

If you do not use the international boycott factor for this purpose, you must specifically attribute taxes and income on Schedule B (Form 5713).

Boycott Operations

All your operations in a boycotting country are considered to be boycott operations, unless you rebut the presumption of participating in or cooperating with the boycott (as explained below). In addition, your operations that are not in a boycotting country are boycott operations if they are connected to your participation in or cooperation with the boycott.

Rebutting the presumption of boycott participation or cooperation.

One act of participation or cooperation creates the presumption that you participate in or cooperate with the boycott unless you rebut the presumption. The presumption applies to all your operations and those of each member of any controlled groups (defined in section 993(a)(3)) to which you belong, in each country that helps carry out the boycott.

You can rebut the presumption of participation in or cooperation with a boycott for a particular operation by demonstrating that the operation is separate from any participation in or cooperation with an international boycott. The presumption applies only to operations in countries that carry out the boycott. Therefore, you do not need to rebut the presumption for operations that are related to those countries if the operations take place outside of those countries.

International Boycott Factor

Your international boycott factor reflects boycott purchases, boycott sales, and boycott payroll.

Controlled groups. All members of a controlled group generally share one international boycott factor, which reflects all their purchases, sales, and

payroll. However, if you belong to two or more controlled groups, your international boycott factor will reflect the purchases, sales, and payroll of all the controlled groups to which you belong.

Partnerships and trusts. You are deemed to have a prorated share of the purchases, sales, and payroll of each partnership in which you are a partner and of each trust if you are treated as the owner under section 671. As a result, your international boycott factor may also reflect purchases, sales, and payroll of partnerships and trusts.

Specific Instructions

Compute a **separate** boycott factor and a separate schedule for **each** international boycott you participated in or cooperated with. Include your own operations and, if applicable, the operations of partnerships, trusts, and members of your controlled group.

See **Lines 8 Through 13** on page 3 of the Instructions for Form 5713 to see what years you should report purchases, sales, and payroll for partnerships, trusts, and controlled groups.

Columns (1) Through (4)

In completing columns (1) through (4), show all boycott purchases, boycott sales, and boycott payroll from one operation on one line.

Partnerships. Complete **only** lines **a** through **o**, the total of columns (2), (3), and (4), and line 2. Do not complete line 3. Give this information to all partners so they can compute their own international boycott factor.

Column (1). Enter the name of the country that requires participation in or cooperation with an international boycott as a condition of doing business in that country. The country named in column (1) is not necessarily the country in which the operation takes place. For example, if you have an operation in Country Z that is not a boycotting country and the operation relates to Country X that is a boycotting country, enter the name of Country X in column (1). The Secretary maintains a list, under section 999(a)(3), of countries that require participation in or cooperation with an international boycott. This list may not be all-inclusive.

Column (2). Enter all purchases that are made from boycotting countries that are attributable to the operation reported on each line.

Column (3). Enter the sales that are made to or from boycotting countries and that are attributable to the operation reported on each line.

Column (4). Enter the total payroll that was paid or accrued for services performed in boycotting countries and that are attributable to the operation reported on each line.

Lines 1 Through 3

Line 1. Add columns (2), (3), and (4). This amount is the numerator of your international boycott factor.

Do not include amounts attributable to operations for which you rebutted the presumption of participating in or cooperating with the boycott.

Line 2. The denominator of the international boycott factor reflects all your purchases, sales, and payroll in or related to all countries other than the United States. If applicable, the denominator also reflects these items for your controlled groups, partnerships, and trusts. Do include the amounts that are attributable to operations for which you rebutted the presumption of participating in or cooperating with the boycott.

General Instructions*Section references are to the Internal Revenue Code unless otherwise noted.*

Note: Some of the line numbers on the December 1988 and March 1991 revisions of Form 8609 differ from later revisions. In these cases, the line references that correspond to the 1988 or 1991 revisions, if different, are shown in parentheses in these instructions.

Purpose of Schedule

Schedule A (Form 8609) must be completed by the building owner each year of the 15-year compliance period, whether or not a credit is claimed for the tax year. For a building receiving separate allocations for the existing building and for the rehabilitation expenditures, a separate Schedule A must be completed for each credit claimed.

The building owner must attach Schedule A, the owner's copy of Form 8609, and **Form 8586**, Low-Income Housing Credit, to the owner's tax return. If the owner is a partnership, S corporation, estate, or trust (flow-through entity), the entity will complete and attach these forms to its return. If you are a partner, shareholder, or beneficiary in a flow-through entity that owns the building, Form 8586 is the only form needed to claim the credit.

Recapture of Credit

If the qualified basis of the building has decreased from the qualified basis at the close of the previous tax year, you may have to recapture parts of the credits allowed in previous years. See **Form 8611**, Recapture of Low-Income Housing Credit.

Specific Instructions

Item B. If you are an individual, enter your social security number. All others, enter your employer identification number.

Item C. Enter the building identification number from Part I, item E, of Form 8609.

Line 1. Generally, the eligible basis of a building for its entire 15-year compliance period is the amount of eligible basis entered on Form 8609, line 7b (Part II, line 1b, on the 1988 and 1991 revisions).

Basis increases for buildings in certain high-cost areas. In order to increase the allocated credit for buildings in certain high-cost areas, the housing credit agency may increase the eligible basis of buildings located in these areas (after adjustments, if any, for Federal subsidies and grants). The agency may make this increase under the high-cost-area provisions of section 42(d)(5)(C).

The agency shows the increased percentage of the eligible basis in Part I, line 3b, of Form 8609. The eligible basis entered on Form 8609 should reflect the percentage increase.

If the agency used an earlier revision of Form 8609 that did not have line 3b in Part I to issue a 1990 credit allocation to which the high-cost-area provisions were applied, it should have notified you of the Part I percentage increase in a separate statement. Based on this statement, increase the eligible basis of the building reported in Part II of the Form 8609 you file.

Note: This increase cannot cause the credit on line 15 of Schedule A to exceed the credit amount allocated on line 1b, Part I of Form 8609.

Basis reductions. The amount of eligible basis entered on Form 8609 does not include the cost of land, the amount of any Federal grant received for the building during the first year of the credit period, or any portion of a building's adjusted basis for which an election was made prior to November 5, 1990, under section 167(k). Do not reduce the eligible basis on line 1 of Schedule A by the amounts of any Federal grants received after the first year of the credit period. The calculation for line 14 of Schedule A will reduce the credit by the amount of any Federal grants received during the compliance period that did not reduce the eligible basis during the first year of the credit period.

For more details on determining eligible basis, see the instructions for Form 8609, line 7b (Part II, line 1b, on the 1988 and 1991 revisions).

Line 2. Only the portion of the basis on line 1 attributable to the low-income rental units in the building at the close of the tax year qualifies for the credit. This is the **smaller of (a)** the percentage of low-income units to all residential rental units (the "unit percentage") or **(b)** the percentage of floor space of the low-income units to the floor space of all residential rental units (the "floor space percentage"). This percentage must be shown on line 2 as a decimal carried out to at least four places (e.g., 50% = .5000). Low-income units are units occupied by qualifying tenants, while residential rental units are all units, whether or not occupied.

Generally, a unit is not treated as a low-income unit unless it is suitable for occupancy and is used other than on a transient basis. Section 42(i)(3) provides for certain exceptions (e.g., units that provide

Specifically Attributable Taxes and Income by Operation (Use a separate line for each operation.)

Table with 7 columns: Name of country, Principal business activity, Foreign tax credit, Subpart F income, IC-DISC income, FSC income. Rows include a through n and a Total row.

General Instructions

References are to the Internal Revenue Code.

Purpose of Schedule

Complete Schedule B (Form 5713) if:

- You participated in or cooperated with an international boycott, and
- You figure the loss of tax benefits by specifically attributing taxes and income.

If you do not specifically attribute taxes and income for this purpose, you must compute the international boycott factor on Schedule A (Form 5713).

Certain shareholders. IC-DISC benefits, certain FSC benefits, the "deemed paid" foreign tax credit under section 902, and the deferral of subpart F income are lost at the shareholder level. Shareholders in an IC-DISC, certain FSCs, or a foreign corporation must report their prorated share of the tax benefits denied. The denial of these benefits is discussed in the specific instructions for columns (4) through (7).

Boycott Operations

All of your operations in a boycotting country are considered to be boycott operations, unless you rebut the presumption of participation in or cooperation with the boycott (as explained below). In addition, your operations that are not in a boycotting country are boycott operations if they are connected to your participation in or cooperation with the boycott.

Rebutting the presumption of boycott participation or cooperation. One act of participation or cooperation creates the presumption that you participate in or cooperate with the boycott unless you rebut the presumption. The presumption applies to all of your operations (and those of each member of any controlled groups (defined in section 993(a)(3)) to which you belong) in each country that helps carry out the boycott.

You can rebut the presumption of participation in or cooperation with a boycott for a particular operation by demonstrating that the operation is separate from any participation in or cooperation with an international boycott. The presumption applies only to operations in countries that carry out the boycott. Therefore, you do not

need to rebut the presumption for operations that are related to those countries if the operations take place outside of those countries.

Specific Instructions

File Schedule B (Form 5713) for the period covered by your income tax return. Report only your own taxes and income; do not include other members of any controlled groups to which you belong.

Columns (1) through (7)

In completing columns (1) through (7), show all specifically identifiable taxes and income in each appropriate column from one operation on one line.

Column (1). Enter the name of the country that requires participation in or cooperation with an international boycott as a condition of doing business in that country. The country named in column (1) is not necessarily the country where you have operations. For example, if you have operations in Country Z that is not a boycotting country and the operation relates to Country X that is a boycotting country, enter the name of Country X in column (1). See page 2 of the Instructions for Form 5713 for a list of boycotting countries.

Column (2). Enter the principal business activity code of the boycott operation from the list beginning on page 5 of the Instructions for Form 5713.

Column (3). Briefly describe the principal business activity of the boycott operation. For IC-DISCs, enter the major product code and description in parentheses. See the Instructions for Schedule N of Form 1120-IC-DISC for a list of the codes.

Column (4). Enter the foreign taxes paid, accrued, or deemed paid that are attributable to the boycott operation. These taxes are not eligible for the foreign tax credit. Omit foreign taxes otherwise disallowed under sections 901 through 907, 911, and 6038. For more information, see Part N of the Treasury Department's International Boycott Guidelines.

Enter the column (4) total on line 2b, Schedule C (Form 5713).

Column (5). Enter your prorated share of the controlled foreign corporation's income that is attributable to the boycott operation. (This includes your share of the section 923(a)(2) non-exempt income of a FSC.) This amount is not eligible for tax deferral. Omit the foreign corporation's income attributable to earnings and profits that are included in gross income under section 951 (except by reason of section 952(a)(3)). Also omit amounts excluded from subpart F income by section 952(b). In figuring the amount to enter in column (5), you are allowed a reasonable amount for deductions (including foreign taxes) allocable to that income.

Enter the column (5) total on line 3b, Schedule C (Form 5713).

Column (6). An IC-DISC's taxable income attributable to boycott participation or cooperation is not eligible for deferral.

If you are a shareholder in an IC-DISC, follow these steps for each boycott operation and enter the result in column (6).

1. Add the amount deemed distributed for the tax year under section 995(b)(1)(A), (B), (C), (D), and (E).
2. Subtract that total from the IC-DISC's taxable income attributable to the boycott operation for the tax year, before reduction for any distributions.
3. If you are a C corporation, prorate your share of the remainder and multiply by 16/17. If you are not a C corporation, prorate your share of the remainder.
4. Enter the result in column (6).

Enter the column (6) total on line 4b, Schedule C (Form 5713).

Column (7). A FSC's taxable income attributable to boycott participation or cooperation is not eligible for exemption from income tax. Enter in column (7) the taxable income attributable to foreign trade income of a FSC for each boycott operation that would have been exempt if there had not been boycott participation or cooperation.

Enter the column (7) total on line 5b, Schedule C (Form 5713).

Instructions

Who Must File

Schedule C (Form 5713) is used to compute the loss of tax benefits attributable to participation in or cooperation with an international boycott. Complete Schedule C if you completed either Schedule A or Schedule B of Form 5713.

Partnerships. Complete Schedule C if you are a partner. Partnerships do not complete Schedule C.

Controlled groups. Unless a controlled group (described in section 993(a)(3)) files a consolidated return, each member may independently choose to either **(1)** apply the international boycott factor under section 999(c)(1), or **(2)** identify specifically attributable taxes and income under section 999(c)(2). Each member must consistently use a single method to figure the loss of tax benefits.

Example. A member that chooses to use the international boycott factor must apply it to determine its loss of the section 902 indirect foreign tax credit on a dividend that another member of the controlled group paid to it, even if the other member determines its own loss of tax benefits by identifying specifically attributable taxes and income.

- A person who applies the international boycott factor to one operation must, however, apply the factor to all that tax year's operations under section 908(a), 952(a)(3), 995(b)(1)(F)(ii), or 927(e)(2).
- A person who identifies specifically attributable taxes and income under section 999(c)(2) must use that method for all that tax year's

operations under section 908(a), 952(a)(3), 995(b)(1)(F), or 927(e)(2).

- An IC-DISC whose tax year differs from the common taxable year of the controlled group of which it is a member does not need to amend its return to show on Schedule J (Form 1120-IC-DISC) the amount of IC-DISC benefits lost because of boycott participation. Because the IC-DISC benefits are lost at the shareholder level, the shareholder must include in income the prorated share of income attributable to boycott operations shown on line 4a(3).
